coupled awning,
stretch

Awning Colours

Awning Cover Fabrics

markilux 1710 stretch

Gives an impressive performance on narrow patios, balconies and in recesses: thanks to the two crossover arms even awnings with a narrow width are able to extend considerably further.

Polished chrome fittings

More cover without a cover cassette

Optionally available without a cover cassette, the model variant markilux 1700 can be extended up to 400 cm to provide even more shade.

Designer awnings by markilux. Made in Germany.
Create the most alluring shade in the world.
